

Quality Policy

01/05/2020

Policy Statement

Ckorp is a privately owned NSW building and construction company engaged in the development of residential, commercial, institutional and general construction activities throughout NSW.

Policy Procedure / Clarification

Ckorp is committed to the following objectives:

- Ensure compliance with contract documentation, standards, codes and statutory requirements;
- Maintain quality management awareness at all levels of the organization and promote quality as the prime responsibility of every employee and subcontractor;
- Maintain total commitment to our Quality Management System ;
- Respond in a timely and constructive manner to customer complaints and act promptly on agreed remedial actions;
- Ensure that all quality management activities are supportive of construction activities;
- Ensure objectives are met and maintained in line with the Company Quality Manual to deliver a service and product to meet client requirements

It is also our policy to provide a safe and healthy workplace in accordance with our management system for employees and subcontractors and to ensure that all work is carried out in a safe manner.

While maintaining this safety policy, we also have a commitment to controlling and minimising environmental impacts on our sites in relation to noise, air pollution, waste and dangerous goods. This is achieved through implementation of our Environmental Management System.

This statement outlines our commitment to meet these standards for the benefit of our clients, adjoining property owners, employees and contractors.
