Approved for publication: 24 September 2026

Policy statement

Ckorp Holdings is a privately owned NSW building and construction company engaged in residential, commercial, institutional and general construction activities throughout NSW.

Objectives

Ckorp Holdings is committed to:

- complying with contract documentation, standards, codes and statutory requirements;
- maintaining quality awareness at all levels of the organisation and making quality a responsibility of every employee and subcontractor;
- maintaining commitment to the Quality Management System;
- responding promptly and constructively to customer complaints and carrying out agreed remedial actions;
- ensuring quality management activities support construction activities; and
- meeting and maintaining objectives in line with the Company Quality Manual to deliver services and products that meet client requirements.

Related commitments

The company is also committed to providing a safe and healthy workplace for employees and subcontractors through its management system and to carrying out work safely.

Alongside its quality commitments, Ckorp Holdings will control and minimise environmental impacts associated with noise, air pollution, waste and dangerous goods through its Environmental Management System.

These commitments support clients, adjoining property owners, employees and contractors.
